

GOLD COUNTRY

HORSE SALE

Dear Consignor,

The Gold Country Horse Sale management team would like to thank you for your interest in being a part of the second annual Gold Country Horse Sale, taking place August 27th, 2022 at the Ed Hughes Memorial Arena in Lone, Ca. We are very excited to be able to hold this horse sale again this year. We had a great turnout of buyers last year with the high selling horse going for \$15250 and the average being \$7671.

Gold Country was created to provide consignors and buyers alike with another avenue to buy and sell high-quality ranch and performance horses. We want to provide buyers with a first-class horse that lives up to the advertisements made about it. We want everyone to be proud of the horses that go through the ring on sale day, so please be confident that your consignment can meet expectations. Gold Country is not a sale for a problem horse.

We are limiting entries to 30 horses. Horses entered will have the opportunity to have about 5-7 minutes in the arena to showcase their horse with the option to work cattle within the time limit. Once all horses have gone through, you will be able to participate in a pen roping.

Along with your entry form please send in two photos and a video of each consignment. One photo will be used for the printed catalog. Both photos and the video will be included in the online catalog and posted on social media. The video content is at your discretion. No submissions will be edited. Once we have received your entry and money you will be notified by phone or email that your consignment has been accepted to the sale.

Entries will close Friday July 8th or once 30 entries have been reached. Please carefully review the rules and regulations of the sale. If you have any questions or concerns do not hesitate to contact Cameron Messier at (432) 381-9213 or office@goldcountryhorsesale.com.

We look forward to working with you and having a great sale!

Warm Regards,

Cameron Messier & Brooke Martin
